

All Saints Church – HR4 9AA

Wheelchairs can be accommodated on the ground floor. There is no wheelchair access to the balcony area.

Access

The main ground floor is level with the pavement; a curving purpose-built ramp leads down to the lower ground floor. There is no wheelchair access to the balcony.

WC

There is an access WC inside the church on the main ground floor.

Parking

There is very limited public parking available along Broad Street, otherwise please use the city centre car parks.
